Hi Renee,

I hope you are well. My SLO from West LA Chris Baker reached out to me on this location to see if he can get a clean up on this site. Is there any more info that can be shared with him as far as when the team may be able to work on this site?

I have added Chris here on the email, if we need anything from him at West LAPD, let's ask if it's helpful to LA San.

Thanks for all your help to CD10!
